

Medicine Wheel

Winter 2011

Master Classes with Michael Dowling

Michael Dowling has been called "one of America's most innovative and courageous artists." His ongoing project in the border region between Ireland and Northern Ireland, the Tonnes, a meeting of the waters, has been awarded major funding from the European Union Peace III Program. Dowling's art programs for inner city and proven risk youth have been honored by the Harvard Youth Violence Prevention Center and by Boston's Safe Neighborhoods Youth Fund.

Advanced Painting AC10

This is an upper level class for serious students. Its primary aim is to strengthen technical skills and to develop a personal style. Students work on individual projects in the medium of their choice under the guidance of the instructor. *8 weeks*
